

PARENT COUNCIL

June 2017

**Kenny Millar, Chair
Parent Council**

Dear Parents & Carers

The parent council plays an important role in the life and work of the school.

We Aim:

- to encourage parents and carers to engage with the school
- to engage in activities which support and advance the education of pupils
- to engage in activities which support and promote our school
- to gather and represent the views and opinions of the Parent Body

I believe that our children have the best possible chance to achieve great results, when parents take an active role in their education. Therefore, I'd like to encourage you to make use of your parent council. If you'd like more information or think there is something that your Parent Council should consider, undertake, or discuss, then please get in touch!

We meet approximately every four to six weeks during term time, and our meetings are always open for anyone to attend.

If you would like to join us on the Parent Council, then please get in touch!

You can contact the Parent Council at our email address: info@khspc.org.uk

You can keep an eye on our web-site: www.khspc.org.uk

Or you can contact me directly at kennymillar@mac.com

Regards,

Kenny Millar

Chairperson, Kirkintilloch High School Parent Council.
